

IN THE SPECIFICATION

Enclosed with this preliminary amendment is a clean copy of a substitute specification, entitled Exhibit “B,” submitted under 37 C.F.R. §1.121(b)(3) and §1.125(b) together with a marked up version, entitled Exhibit “A,” of the substitute specification. The Applicants request that the English language translation specification filed herewith according to 35 U.S.C. 371(c)(2) be replaced by the enclosed substitute specification of Exhibit “B”. The Applicants believe that the substitute specification is fairly based on the original disclosure and includes no new matter. The Applicants believe the amendments included in the substitute specification place the case in a format more in keeping with U.S. practice. These amendments are not intended to include any substantive changes.
